romeoasante66@gmail.com | 055-2525-690 | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

I am a self-driven web developer and a graphic designer with a background in BSc. Business Administration (Accounting). I am a tech enthusiast and love to explore more and take on new challenges in the tech space. I am good at multitasking and still efficient under pressure. Clear and effective communicator, highly skilled at motivating people through positive encouragement and reinforcement of concepts.

---
